CAPA ACADEMY APPLICATION 2025

Dear Parent / Carer,

We are excited to be offering your child(ren) the opportunity to be involved in the Lisarow High School - Creative and Performing Arts Academy Program.

'Part of education is learning, and what drives learning is curiosity and collaboration... Creativity is the process of having original ideas that have value. It is a process: it's not random ... Creativity is now as important in education as literacy.' - Ken Robinson

This opportunity will allow your child(ren) to be involved in an extended program in their chosen field of study throughout Years 7 and 8. Programs available are:

- Dance
- Drama
- Music
- Visual Arts

As a part of this program, students will be given the opportunity to partake in extending their skills, to work at an accelerated pace, to represent the school in a wide variety of opportunities including eisteddfods, recitals, art exhibitions and competitions, local festival and charity events as well as partaking in master classes with industry professionals. Within Lisarow High School's Creative and Performing Arts Department, the students will have access to highly skilled tuition, a wide array of instruments and our music studio, our green screen digital suite in Drama, our digital photographic studio, and a vast array of artistic experiences incorporating ceramics, illustration, painting, documented forms, Fibre art and sculpture.

In addition to the CAPA program, students will partake in a challenging, comprehensive academic program catering to the educational needs of all students either through Enrichment or Avid programs.

This is an enrichment program, and as such involves an application and either an audition or workshop process. The application is due by Week 6, Term 2.

There are limited spaces available and successful applicants will be notified prior the starting year.

Please read the specified requirements for selection for each program and if you have any queries, please contact me during school hours.

Regards,

Mrs Kylie Bolger
Head Teacher CAPA
