

CAPA Academy – Drama

Welcome to the Lisarow High School CAPA Academy Drama Audition process.

Students applying for DRAMA for the Lisarow Creative and Performing Arts Academy will be asked to complete the following during their audition:

1. Select a short monologue to perform. (A monologue is a one actor performance where no one else will be speaking). This can be an excerpt from your favourite book, favourite TV show or movie or even lyrics from a song.
2. Create a Character that uses your physical and vocal skills Our audition tips to help you create a character:
 - Include physical skills. For example, if you are playing an old person you may hunch over.
 - Include vocal skills. For example, if you are playing an old person you may alter your voice to make yourself sound older.
3. Performances must go for a minimum of 30 seconds and a maximum of 1 minute.
4. Student must memorise their lines for the monologue.
5. Students are to submit one hard copy typed version of the monologue to the audition panel on the day of the audition. This will be used to prompt students if they forget their lines. **Please note students will no be penalised if they forget lines.** Memorised lines are implemented to allow students to create a more complex character on stage and maximise audience engagement.
6. Costumes/props are not necessary; instead please wear full school uniform to the audition. Girls please bring pants/shorts.
