Enrichment Class Application 2026

Dear Parents/Carers,

We are excited to be offering your child the opportunity to apply for the 2026 Lisarow High School Enrichment Class.

The Enrichment class comprises of high potential and gifted students with the purpose of enhancing and extending their learning, developing their critical thinking skills and fostering a culture of high expectations.

Students selected for the Enrichment class will study the core curriculum along with their cohort; however, the teaching and learning practices and strategies will be differentiated to support students in achieving their educational potential.

Places in the 2026 Enrichment class are limited, so please ensure you have completed all aspects of the selection process below.

Selection Process:

1. Student application form
2. Attach:
 - One (1) recent sample or student assessment task.
For example, creative writing piece, science project, maths test etc.
 - NAPLAN 5 results
 - Most recent school report
3. Scan and email your application to lisarow-h.school@det.nsw.edu.au OR drop the application off at Lisarow High School front office.

Applications are due by the end of Term 2 2025.

If you have any further questions, please contact Ellouise Plowman at Lisarow High School on 4328 4599.

Kind regards,

Miss Ellouise Plowman
Enrichment Coordinator
Head Teacher Teaching and Learning
